6.0 Public Comment Period (10 Minutes Maximum Allotted Time)

-Eisenberg-Where did the crossing guard go? A: He retired. Q: Can we reach out to them to try to speak with them about stopping traffic like he did so it helps with congestion?

Piplic-Can we have jump ropes out at the playground since they are learning about them in PE? A: No because it is a safety concern and we do not have enough eyes to make sure everyone is safe.

However, if a parent wants to volunteer and lead it then we are more than willing to add it.

Stout-Do we need badges for that? A: If it's a one time thing then no. However, if it is a consistent thing then yes. We want all volunteers to be badged for safety. We might send the process out on Dojo to help see if more would like to get badged.

-Balancing of who goes on field trips since they have to be badged

-Piplic-Is it possible to speak to classrooms about the scented things they put in their rooms? Some are so strong that we get headaches and I am sure kids do too.

-Eisenburg-Also with the money I cut, they said if we make it a business card template for the cash it will be easier to cut

-Piplic-Can students from grades 3-5 use planners to get them ready for middle school. They can write down what they need to complete and even if we make our own, I can help print them. A: We can look into it but we also have to look into it for the budget.
